

UPM Raflatac Technical Information

20-02-2022 EN SI

Face	PHARMATIGHT
Sales Code	DCX
Product	White, wood-free, machine-coated matt paper.
Use	Designed for labelling pharmaceutical products requiring tight mandrel hold on demanding small-diameter containers. Produces labels with high flexibility, which conform well to shaped containers.

Typical technical values

Substance	45	g/m ²	ISO 536	
Caliper	39	µm	ISO 534	
Brightness	90	%	ISO 2470/1	
Roughness	1.5	µm	ISO 8791	PPS 10
Opacity	86	%	ISO 2471	
Gloss	27	%	Hunter 75°	
Luminescent level	Min. 8 on the Laetus scale			
Printability	Suitable for flexography and offset. Thermal transfer is possible with selected ribbons.			
Advantages	Optimized balance of fibre direction offers a high-flexibility solution where standard paper technology fails on tightly curved surfaces and with challenging label shapes and sizes.			
Additional info	Pharmaceutical change management with 12 months' notice of any change. In combination with the 2-year shelf life from date of manufacture, this gives a 3-year window for any requalification requirements.			
Disclaimer	The performance of the product should always be tested in the actual application conditions. Our recommendations are based on our most current knowledge and experience. As our products are used in conditions beyond our control, we cannot assume any liability for damage caused through their use. Users of our products are solely responsible that the product is suitable for its intended application, and have determined such at their sole discretion. Users must comply with any applicable legislation and/or testing requirements for the finished article, and are responsible for bringing their products to market.			

This publication does not constitute any warranty, express or implied, and is intended only for the recipient and cannot therefore be transferred to any third party. We cannot assume any liability for the use of our products in conjunction with other materials.

All our products are sold subject to UPM Raflatac's general sales conditions, and you should ensure that any existing laws are observed.

This publication replaces all previous versions. All information is subject to change without notice.
